# City Areas

Exploring a city can be tricky if you don't know your way around, or even what to look out for. Get a flavour of Belfast with this taster to help navigate your way around the city's areas and quarters.

## CITY CENTRE

Home to the iconic Belfast City Hall, St George's Market and the main shopping district. You'll be spoilt for choice with the abundance of cool cafés, great pubs, trendy bars and an amazing restaurant scene. Start off in the Visit Belfast Welcome Centre (opposite City Hall) to pick up information, book tours and find out everything to make the most of your time while studying in Belfast.

## CATHEDRAL QUARTER

Packed full of fascinating architecture, buzzing beer gardens, trendy warehouse restaurants, cobblestoned streets, and colourful street art, this area of town contrasts the old with the new, with St. Anne's Square, home to the Metropolitan Arts Centre (MAC) and a piazza of welcoming eateries, alongside some of the oldest streets in Belfast.

## LINEN QUARTER

Belfast was once nicknamed "Linenopolis" as it was the world leader in the production of linen in the 19th Century. Just south of City Hall, you can enjoy the architecture of the old linen mills which house a mix of offices, chic bars and renowned restaurants. This is a great part of town to enjoy dinner and drinks before a show at the Grand Opera House.

## TITANIC QUARTER

Steeped in memories of a bygone era, the Titanic Quarter is now a fun and energetic urban waterfront development. Visit or take a tour of the many historic and state-of-the-art Titanic visitor attractions, or simply stroll around the Maritime Mile to learn more about the city's shipbuilding heritage.

## QUEEN'S QUARTER

The area surrounding Queen's University is a treasure trove of eclectic shops, boutiques, cafés, affordable places to eat, bars and art galleries. Visit the collections of the Ulster Museum, sign up for a class in the Crescent Arts Centre, enjoy world cinema at QFT, chill out in Botanic Gardens or take a jog along the banks of the River Lagan.

## GAELTACHT QUARTER

The centre for Irish language, music and culture is in the west of the city. An Cultúrlann showcases cultural Irish Gaelic traditions and contains a restaurant, gift shop, theatre and gallery. Explore the stunning Clonard Monastery or enjoy the 3 mile Divis Summit Trail, a specifically designed loop walk on Divis Mountain with spectacular views over Belfast.

## EAST SIDE

EastSide was once the beating heart of the city's industrial past with thousands of people employed in linen mills, rope factories, engineering works and shipyards. EastSide is now thriving once again but this time as a hub of culture and creativity. Make the EastSide Visitor Centre your first stop, with information on things to do in east Belfast.

## THE SHANKILL

Straddling North and West Belfast, the Shankill is home to a wide collection of painted murals depicting the social and political history of the area. Places of interest include the Peace Wall, the Old Shankill Graveyard, dating back to the 14th century, the Shankill Memorial Park and the ancient Bullaun Stone. The Spectrum Centre, a major landmark in the area, hosts a range of events and exhibitions.

# CHECKLIST:

It's inevitable. As you transition from the comforts of living at home to single-handedly facing the big bad world, you will make your fair share of blunders. Here's a checklist of things not to forget.

## BANK ACCOUNT 01

Remember to shop around for a student bank account that works for you, and one that can give you a good interest-free overdraft.

## IDENTIFICATION 02

This is an obvious one, but it's easy to forget that I.D. will be necessary for registration and of course getting into bars and clubs!

## HEALTH 03

When moving to a new city, make sure that you register with a local GP and dentist, so that your medical details can be transferred.

## LAPTOP 04

A staple for any student, laptops are essential for assignments, coursework and presentations.

## MOBILE PHONE 05

Shop around for different mobile networks if you are looking for a contract of your own. Most providers offer unlimited calls and texts and be realistic about the amount of data you will need. If you're planning to travel check if roaming is included.

## SAFETY DEPOSIT BOX 06

Make sure to pack something to store valuables in, e.g. passports, jewellery etc.

## SET YOUR ALARM 07

Punctuality is key for university, especially if you've got 9 o'clock lectures to get to!

## INSURANCE 08

Check if your student accommodation includes contents insurance, and if not then make sure you shop around for a decent student policy to get your belongings covered.

## STATIONERY 09

Pens, paper, folders and files are going to be must-haves for your first few weeks so make sure you're stocked up!

## CLOTHES 10

A new city and a new university might give you a chance to re-invent your wardrobe, so don't miss those all-important student shopping night events (see P14/15). Lots of stores offer student discount all year round, so make sure you always bring your student card when you're shopping!

## BOOKS 11

Prior to starting your course, you will most likely find that you have a required reading list. Check what's on it before you arrive on campus and see if you can source some of the books or download digital editions.

## TV LICENCE 12

The law still applies to students, so check the TV licensing website to see if you're covered.

COFFEE BREAK

# COFFEE CULTURE

Belfast packs a punch when it comes to high quality speciality coffee, with excellent baristas, funky interiors and, of course, an excellent cuppa, you'll be kick starting your day the right way.

What's more, many of these local gems stay open late, hosting everything from craft circles and acoustic music to regular board game nights, dishing up fabulous treats and keeping the caffeine flowing for late nights in the library! Here are a few of the best ones to check out:

## CLEMENTS

One of the longest established locally-owned coffee chains, Clements is a firm favourite offering great coffee and tasty treats. They pride themselves on being passionate about the products they sell, and you can visit them at a number of locations across the city

centre and Queen's Quarter including Queen's University's PEC, MBC, Elmwood Avenue and McClay Library and also The Mall at Ulster University.

## ESTABLISHED COFFEE

Established was one of the first trailblazers on Belfast's coffee scene and is probably at the top of many a Belfast coffee lover's list. It's located in Belfast's trendy Cathedral Quarter and is a hipster's paradise, with industrial bare cement floors and walls and plenty of plug sockets to hook up your MacBook. Not only do they make amazing coffee, but the food is top notch also.

## KAFFE O

Kaffe O brings a little Scandinavian charm to Belfast — as well as great coffee. This Nordic-inspired coffee house has branches on Botanic Avenue, Ormeau Road as well as their kiosk on Donegall Square North opposite Belfast City Hall. Their coveted blend is the reason for their success, which is imported from Ricco's Kaffe bars in Copenhagen.

## OUTPUT ESPRESSO

Open seven days a week, Output offers a standout range of breakfast, brunch and lunch options, along with — of course — great coffee. And that's not all: there's even a short cocktail menu too.

## GROUND ESPRESSO BARS

A local coffee chain which prides itself in maintaining a welcoming atmosphere producing excellent coffee, served with innovation in an ethical manner. In Belfast you'll find them at Victoria Square, Queen Street, Waterstones on Fountain Street and Next on Donegall Place.

## DILLY AND DOLLY'S

Opened with the aim to be 'the most Instagrammable coffee shop in Ireland', Dilly and Dolly's has been stopping people in their tracks since they opened the doors on Ann Street. This pretty pink, quirky coffee shop is known for its delicious gelato, tasty coffees and treats that almost look too perfect to eat.

### STARBUCKS

Found on street corners in cities across the globe, the green-aproned baristas have become the mascots of many people's morning routine. Concerned with more than flavour, Starbucks strives to fill its menu with responsibly sourced coffee, cocoa and tea that protect the farmers and bioregions they come from.

### GENERAL MERCHANTS

This relaxed local neighbourhood eatery serves fine coffee and Antipodean brunches with the finest and freshest locally sourced food daily. There are 5 locations to discover: Ormeau Road, Stranmillis, Forestside, East Belfast, and a kiosk on Donegall Place in Belfast City Centre.

### THE DOCK CAFÉ

The Dock Café is perhaps one of the most interesting and eclectic cafés in Belfast. Run by volunteers and based in the Titanic Quarter, it's an 'Honesty Box' café which means it doesn't charge for

the food and drinks served; it simply asks for donations based on what you think your order is worth.

### ROOT & BRANCH CAFÉ & ROASTERS

A roastery & brew bar on the Newtownards Road, it's a place for creativity, experimentation and regular new roasts. Most of all, it's a place where you can have a wonderful cup of coffee or buy some beans to bring home. They also offer a carefully curated programme of events designed to elevate your coffee experience.

### GUILT TRIP

This destination coffee and donut shop is the brainchild of ex-Ulster Rugby stars, Callum Black and Darren Cave. Guilt Trip is one of the coolest coffee spots in town, serving aeropress, batch and some seriously tasty donuts. You can also pre-order your donuts for pick-up.

### NEIGHBOURHOOD CAFE

# The Great outdoors

For a healthy dose of fresh air, we've got parks, hills, forests and even spots of tranquillity nestled neatly in the city centre.

## **Belfast Botanic Gardens**

This is a no brainer for students at Queen's. This beautiful park covers 28 acres and is right next to the McClay Library, near the main Lanyon Building. Home to the famous Palm House and Tropical Ravine, you'll also see a ton of people here on a sunny day out relaxing on the lawns. After all, what's better than a nice picnic or an ice cream with your flatmates when the sun is out?

## **Ormeau Park**

Not far from the River Lagan, this is the oldest municipal park in the city. Popular with walkers and joggers with a parkrun every Saturday at 9.30am, there are a range of

eco trails and orienteering routes as well as sports facilities, including soccer pitches, bowling greens, a BMX track, and basketball, tennis and netball courts.

## **Victoria Park**

This is a truly lovely park with a lake, great walks, viewing points, jogging trails and plenty of birds and ducks. It's also a short walk to Titanic Quarter or CS Lewis Square in EastSide. There are two possible circuits of the park, an inner and outer loop around the lake. A great place for aviation enthusiasts who can watch the planes flying in and out of the neighbouring Belfast City Airport.

## **Divis & Black Mountain**

Just 6 miles from Belfast, this is a popular spot to head to for those looking to escape the hustle and bustle of the city. There are two main trails and both have incredible views. The Summit Trail is a challenging 3 mile circular hike which takes at least 1.5 hours. The Ridge Trail is a moderate but longer 4.2 mile route taking at least 3 hours.

## **Cave Hill Country Park**

Whether you've been a dozen times or yet to go, Cave Hill in North Belfast never disappoints. Starting from the car park at Belfast Castle, it's a straightforward circular 4.5 mile route that'll stretch the legs with great views to clear the head - and not too much effort getting there. It's easy to see why it's so popular.

### **Lagan Valley Regional Park**

Explore an area of 4,200 acres, extending 11 miles along both sides of the River Lagan between Stranmillis, in South Belfast to Union Locks, Lisburn. The towpath is a tranquil spot for an easy, level walk or cycle with plenty of attractions to stop at on the way including the Lock Keepers Cottage, Shaw's Bridge, Malone House, the Giants Ring and Sir Thomas & Lady Dixon Park.

### **North Down Coastal Path**

Hop on the train to Holywood to enjoy this gem in Northern Ireland's leisure offering. The section up to Bangor stretches 10 miles along rocky shores, fine sandy beaches, quiet coves, country parkland, busy promenades and moments of perfect isolation.

## **WORTH THE TRIP**

Belfast is only just over an hour's drive away from the world-renowned Giants Causeway, Northern Ireland's only UNESCO World Heritage Site. A geological wonder and home to a wealth of history and legend, the 40,000 basalt stone columns left by volcanic eruptions 60 million years ago intrigue and inspire everyone who visits.

The Mourne Mountains form the highest and most dramatic mountain range in Northern Ireland. With breathtaking views across the Irish Sea and an intricate map of weaving paths to explore, they are high on any hiker's to-do list. Starting from Donard car park it takes around 2½ hours to get to the top. Keep an eye on weather conditions and ensure you have the appropriate footwear, equipment, food and water for the day.

# FESTIVALS

Throughout the year, Belfast celebrates different cultures and experiences with a wide range of events and festivals. So whether your passion's music, theatre, dance, film, comedy or experiencing something new, you'll find something to pencil into your diary!

# SURVIVAL GUIDE:

## ACCOMMODATION 01

Whether you are an undergrad or postgrad, and whether you want to live on campus or rent privately, there are a wide variety of accommodation choices open to students throughout the city. Queen's Accommodation offers options for students wishing to make a specific lifestyle choice, e.g. quiet living, no alcohol and single sex blocks, visit [qub.ac.uk/accommodation](http://qub.ac.uk/accommodation) to help you get started. Ulster University provides apartment living in a modern student village full of facilities on the Jordanstown campus, and there are brand new ensuite rooms and apartments at 123 York Street beside the new Belfast campus. Visit [ulster.ac.uk/accommodation](http://ulster.ac.uk/accommodation) for further details. Both universities have a residential team on hand to offer students support and promote a weekly programme of social events.

## WEATHER/CLIMATE 02

There's no such thing as bad weather, only the wrong clothes! We might be more famous for our rainy skies and beautiful greenery than we are for our blazing sunshine but Belfast is a city with a moderate climate. The local climate is characterised by equability - bringing relatively mild winters and cool summers. July is the hottest month with an average temperature of 18°C (64°F) and the coldest is January at 4°C (39°F).

## TRANSLINK TICKETS 03

An easy way to purchase tickets is to download the free mLink mobile ticketing app. You can also pay on board bus services, at stations or from train conductors. Glider tickets can be purchased at ticket vending machines before you board. We also have a range of pre-pay travel cards. Visit [translink.co.uk](http://translink.co.uk) to get started..

## BANKING 04

As Northern Ireland is part of the UK, the local currency is GBP. If you need to change money or to open an account, you can do this online or drop into a city centre branch. Both QUB and UU offer help

and advice with any aspect of student finance, along with guidance and advice on general money management such as how to live on a budget or how best to deal with your student debt. Check out your University's information online or call into the Students Union.

## DISCOUNTS 05

Many local shops and service providers offer great student discounts on everything from clothing and gym memberships to haircuts. You can sign up to UNIDAYS, TOTUM and Student Beans online or as both QUB and UU are members of the National Union of Students, your student ID card functions as an NUS student card and entitles students to a wide range of deals and discounts across the city and beyond.

## WHAT'S ON

05

There's normally plenty of activity happening in and around the Student Union. Check online for the frequently updated programme of events, QUB: [qubsu.org/Events](http://qubsu.org/Events) or UU: [uusuu.org/whatson](http://uusuu.org/whatson). Visit Belfast's website also has plenty of information on ways to keep you entertained –from bars, restaurants, tours and fun things to do in and around the city. [visitbelfast.com](http://visitbelfast.com).

## PLACES OF WORSHIP

07

Chaplains and other religious representatives are appointed by the Universities to represent and serve students and staff. The chaplaincy centres provide a focus for worship, a range of social events and activities, groups for prayer or study, in addition to pastoral care and counselling. Currently, 13 faiths and denominations are represented at Queen's. Ulster University campuses in Belfast and Jordanstown have a prayer and meditation room.

## PART-TIME WORK

08

Part-time work can be a useful way of earning money and developing skills which are valued by graduate recruiters at the same time. QUB offers an On-Campus

JobShop which advertises part-time jobs available in QUB Schools and Departments. In addition the off-campus JobShop helps students locate work with employers external to the university. You can also keep an eye out for opportunities at local retailers, bars and restaurants – many look for additional staff in the run up to Christmas.

## VOLUNTEERING

09

Student life is all about the experiences – or at least so we are told! While studying and partying may take up a lot of your time, making space for some voluntary work can really add value to your overall experience. Student volunteering is of course a great way to make a real contribution to a cause you feel strongly about, or it can give you the chance to participate in new experiences. Keep an eye out on social media for volunteering opportunities or check online at: [volunteernow.co.uk](http://volunteernow.co.uk)

# MIND YOUR MOOD

If you're a 'uni newbie', you might be away from home for the first time – it's a big change, but there's loads of support services available to make that transition a little bit easier. You can reach out to the residential team at your accommodation, the student wellbeing team, your personal tutor or your peer mentor for help and support.

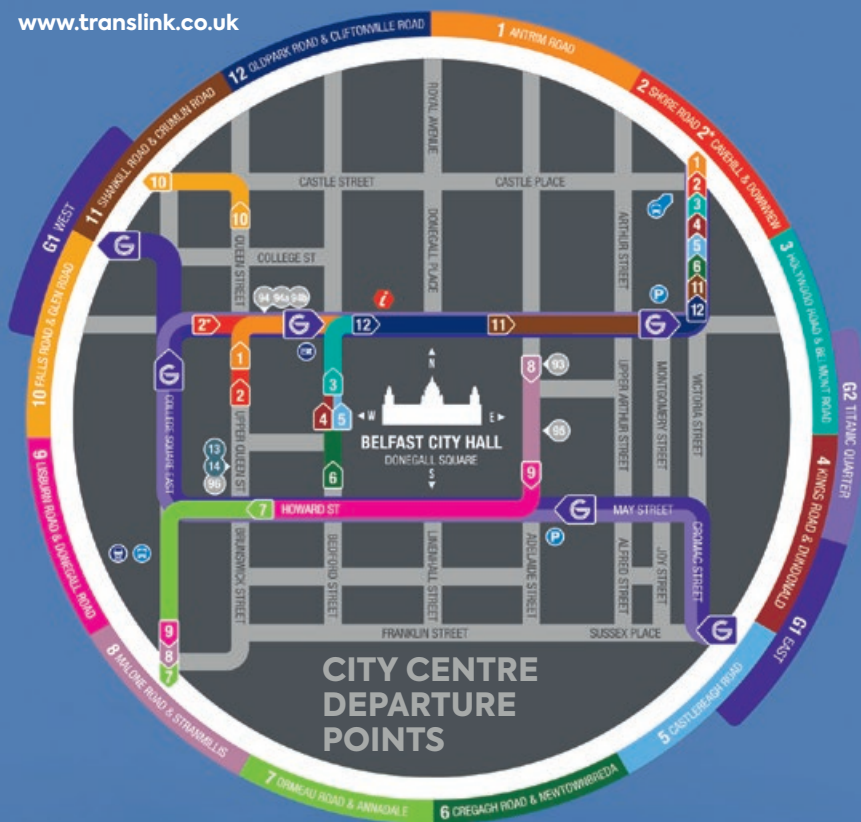

Once you get settled it can be a busy time, and stresses can mount up and really take their toll - so it's important to take the time to prioritise your own mental wellbeing.

Here's some tips that might help: get in a good sleep routine, be mindful of your environment, do something that you enjoy, cook or bake something tasty, make time for physical activity, listen to some music, decide who to spend time with and write a to-do list.

If you find yourself experiencing mental health difficulties which are preventing you from doing the things you want to do, seek help – whether through friends, family, a doctor, or your university support services.
